2017 FUNDING GUIDELINES AND APPLICATION

Community Foundation for Perry County

ELIGIBILITY

The Community Foundation for Perry County (CFPC) was established in 2012 to ensure permanent support for the citizens and communities of Perry County. CFPC is working to grow grantmaking dollars for projects that improve quality of life in Perry County across five areas CFPC calls the Pillars of Prosperity: arts and culture, community and economic development, education, environmental stewardship, and health and human services. CFPC is pleased to announce this request for mini-grant proposals, and invites applications from any tax-exempt organization serving the Perry County community.

CFPC is able to provide this and previous grant rounds thanks to the generous contributions of existing donors. CFPC launched its *Endow 200* campaign in 2016 to grow the amount of grantmaking from \$5,000 to \$50,000 annually, but CFPC needs your help to make that a reality. Next year marks the 200th anniversary of Perry County. By meeting its goal of raising \$5,000 from 200 donors before the end of 2018, CFPC will be able to fund additional projects throughout the county as early as 2019. To learn more, visit

FUNDING CRITERIA AND AVAILABILITY
