2020 FUNDING GUIDELINES AND APPLICATION
Community Foundation for Perry County

ELIGIBILITY
As Perry County communities face the uncertainties created by the ongoing COVID-19 pandemic, and nonprofit and public organizations step up to meet a wide-range of new needs as a result, the Community Foundation for Perry County (CFPC) is pleased to announce a grant round to support efforts to create a brighter future for Perry County beyond the current COVID-19 crisis.

CFPC was established in 2012 to ensure permanent support for the citizens and communities of Perry County. CFPC is working to grow grantmaking dollars for projects that improve quality of life in Perry County across five areas CFPC calls the Pillars of Prosperity: arts and culture, community and economic development, education, environmental stewardship, and health and human services. CFPC is pleased to announce this request for mini-grant proposals, and invites applications from any tax-exempt organization serving the Perry County community.

CFPC is able to provide this and previous grant rounds thanks to the generous contributions of existing donors. CFPC launched its Endow 200 campaign in 2016 to grow the amount of grantmaking from $5,000 to $50,000 annually, but CFPC needs your help to make that a reality. Thanks to matching funds awarded to FAO by the Ohio legislature, $300,000 is now available to match your gifts to CFPC dollar-for-dollar. By growing the Community Foundation for Perry County’s endowment to about $1 million through 200 gifts of $5,000, Endow 200 will allow CFPC to generate about $50,000 in grants for the community each year – over ten times what CFPC is now able to give.
